**PETITION TO WITHDRAW NOTICE OF ABANDONMENT AND RESET PERIOD
FOR RESPONSE**

This request is being filed to restart the period for responding to the Notice to File Missing Parts of Non-provisional Application (Notice) indicated to have been mailed on October 15, 2003. A copy of the Notice showing the mailing date is enclosed herewith. The Notice was first received at the correspondence address of record via facsimile on August 5, 2004, after Applicants' attorney telephoned the Patent Office to check the status of the application. Applicants request that the period for responding to the Notice be reset to two months from August 5, 2004, which is when Applicants first received the Notice.

PTO Office actions and notices received by Applicants' attorney and requiring a reply are entered into a docketing database upon receipt of the action or notice. Accompanying this statement as Exhibit A are copies of Applicants' attorney's Docketing Report for October 16, 2003, through October 26, 2003, which is when the Notice most likely would have been received at the correspondence address had it been mailed on October 15, 2003. The attached Docketing Report shows all entries that were added to the database on October 16, 2003, through October 24, 2003. The Docketing Report does not show an entry for Attorney/Client Docket No. (Matter ID) 6454-66361-01 on those dates, indicating that the Notice allegedly mailed October 15, 2003, was never received at the correspondence address.

BEST AVAILABLE COPY

Also, PTO Office actions and notices received by Applicants' attorney and requiring a reply are recorded, upon receipt of the action or notice, in a docket book on each date on which a response is due. For a notice having a mailing date of October 15, 2003, and setting a two-month period in which to reply, the corresponding Attorney/Client Docket No. would be recorded in the docket book for the date of December 15, 2004, and each date on which a response can be filed with an extension of time. Accompanying this statement as Exhibit B are copies of pages from the docket book of Applicant's attorney for December 15, 2004. The docket book does not show an entry for Attorney/Client Docket No. (Matter ID) 6454-66361-01 on this date, indicating that the Notice allegedly mailed October 15, 2003, was never received at the correspondence address.

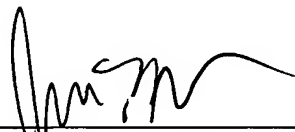

In view of the foregoing, the deadline for responding to the Notice without an extension of time should be October 5, 2004.

No fee should be required to file this Petition. However, if necessary, please charge any fees that may be required in connection with this Petition to Deposit Account No. 02-4550.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
